

“TEN FOR TEN”

- ❖ **TEN for TEN** (Ten dollars per student for ten months) is a program where 100% of donated funds go directly into our classrooms. The teachers decide what to purchase, with the money raised based on classroom needs.
- ❖ For the third year in a row, Broward County Schools have sustained severe budget cuts. Funding for school supplies has been drastically reduced. Supplies donated at the beginning of the year are depleted long before the school year ends. Teachers and room parents frequently replace supplies with their own money.
- ❖ Your donation, of up to \$10 per month per child for the 10 months school is in session (approximately 33 cents per day), helps replace vital funding. By combining these funds we are able to obtain volume discounts for the supplies most desperately needed for our classrooms.

Please join us as a “TEN for TEN Family” today and help make this one of the best school years ever despite our reduced funding.
